

# Your Connection to Crop Protection

Agriculture is going mobile and we've met the demand!

EASYmobility<sup>®</sup>, our free iPad<sup>®</sup> application, lets you work when and where it's convenient for you.

## **EASYmobility<sup>®</sup>, our free iPad<sup>®</sup> application, lets you work when and where it's convenient for you**

EASYmobility<sup>®</sup> is a true mobile solution for the active agent, featuring a full set of tools to write and manage crop insurance from any location with an internet connection.†

- Quote new and existing policies
- Impress with Up-to-date Farm Bill quoting
- Apply for coverage based on a created quote
- Submit policy changes seamlessly
- Report acreage, electronically sign and submit
- Track claim status and details
- Reference your QBE NAU contact sheet for your underwriter, marketing rep and adjuster directory
- View detailed map images to make educated high risk land decisions
- Efficiently use eSignatures on blank forms
